EXPERIENCE

Marketing Project Coordinator

March 2025 – Present

TYM North America HQ

- Developed and managed a multi-channel digital content calendar, aligning campaigns with marketing objectives and ensuring consistent brand messaging.
- Executed social media strategies to increase engagement and brand visibility, supporting both organic and paid campaigns.
- Tracked and analyzed campaign performance using analytics tools, reporting on KPIs, engagement metrics, and ROI to inform strategic decisions.
- Collaborated with internal teams and external vendors to produce and deliver high-quality digital marketing assets.
- Supported budget tracking and allocation for marketing initiatives, ensuring efficient use of resources.
- Assisted in planning and executing marketing campaigns tied to large-scale events and trade shows, driving brand awareness and audience engagement.
- Monitored online communities and implemented social listening strategies to identify trends and engagement opportunities.

Assistant Athletic Director

October 2023 – February 2025

Stockbridge High School

- Coordinated athletic operations, events, communications, and administrative projects across multiple departments and stakeholders.
- Planned and supported execution of school and athletic events, coordinating logistics, timelines, communications, and promotional efforts.
- Collaborated with administrators, coaches, staff, vendors, and other stakeholders to support athletic programs and ensure effective event and operational coordination.
- Managed multiple concurrent projects in a fast-paced environment, prioritizing competing deadlines and operational needs.
- Tracked and reported key operational metrics, using data to support planning and strategic decision-making.
- Managed website content and digital communications to maintain an accurate, user-friendly online presence.

Director of Communications

January – August 2023

Genesis Preparatory Academy

- Developed and executed communication marketing strategies to promote the school's mission.
- Created marketing materials and managed social media accounts.
- Authored emails, press releases, newsletters and promotional content.
- Monitored media analytics to evaluate marketing effectiveness.
- Established and maintained relationships with stakeholders.
- Contributed to communication campaigns for at-risk populations.

Reporter

November 2021 – November 2022

Great Falls Tribune | USA Today

- Researched and produced thoughtful and timely stories in a fast-paced, 24-hour news environment, demonstrating attention to detail.
- Cultivated multiple information sources for accurate news coverage.
- Published over 50 high-quality stories, including in-depth pieces.
- Applied legal and ethical standards to research and reporting.
- Photographed, maintained, and edited photo database for writers to use.
